

छत्रपती संभाजी महाराज शासकीय वैद्यकीय महाविद्यालय व रुग्णालय, सातारा

Chhatrapati Sambhaji Maharaj Government Medical College and Hospital, Satara

DEPARTMENT OF PHYSIOLOGY

Vision

To evolve into a State of Art Physiology Department with not only training, but also Research as well as Clinical outreach facilities.

Mission

1.To foster teaching, learning activities for ensuring quality education with emphasis on imparting training to the UG students nudging them to acquire requisite knowledge, skills, attitude and values in basic and applied Physiology so as to achieve the goal of producing IMG.

2.To incorporate judiciously traditional and innovative teaching and learning methodologies so as to cater to the needs of all types of learners, be they UG or PG.

3.To set up various specialised Physiology laboratories, e.g Electrophysiology, Pulmonary Physiology, Autonomic Functions, etc which can be utilized for research as well as clinical purpose with the aim to help in diagnosis and treatment of patients, in the process creating competent Physiologists who will become leading scientists and /or clinical Physiologists.

4.To nurture studies about the Physiological basis of Lifestyle modifications like Yoga and meditation, proper nutrition, sleep, exercise and their application for attaining the goal of Health for All. Infrastructure Fully equipped UG laboratories.

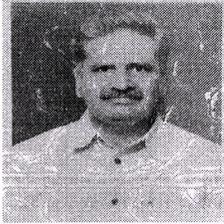

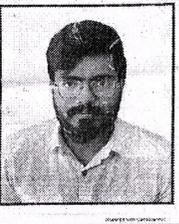

Equipments- ECG Machine. Bicycle Ergometer. Polygraph. Multi Channel Physiographs.

Gas Analyser Automatic For O₂,CO₂,N₂

Advanced Digital

Physiology Lab well Equiped with - 1) 16 Channel Polygraphs, 2) rTMS Machine, 3) Advanced NCV Machine, 4) Vibration Analyzer, 5) Computerized Spirometer, 6) Reaction time apparatus, 7) AFT and others.

Faculty Details

Faculty name	Dr. Jadhav Shashank Sudhakar	Dr. Bodhe Chintamani Dilip	Dr.Bhandare Pranali Prabhakar	Dr.Narute Aashish Shankar	Dr. Jay Balu Salunkhe
Photograph:					
Designation	Professor and Head	Associate Professor	Assistant Professor	Junior Resident -2	Junior Resident
Degree	MBBS,MD Physiology	MBBS,MD Physiology.	MBBS,MD in Physiology .	MBBS	MBBS
Teaching Experience	19 Y 1M	14Y 8M	5 Y 2 M	1Y 11M	4 M
Research & Publication	1) International Journals -01 2) State /Institutional Journals -01	1) International Journals -7 2) National Journals -2	1) National Journals -1
