---

Dear Students,

Welcome to Government Medical College, Satara and heartiest congratulations for getting admission in this prestigious institute.

I assure you on behalf of all my teaching and non teaching staff that we will not keep any stone unturned to make your stay in this premier institute, enjoyable, meaningful and fruitful. May the Almighty bless us in this endeavour of helping you to become committed doctors, responsible citizens and all round individuals.

We with all our heart, wish you to excel in curricular and extra-curricular activities. As you will witness, the ambience of this institute is conducive for achieving excellence in literary, artistic, academic, cultural and sports activities.

The course for MBBS is divided in 3 phases. After the successful completion of this course there is one year internship program which is meant for hands on training. On the whole, the teaching schedule consists of lectures, practical, tutorials, intra-departmental and inter-departmental seminars, integrated teaching sessions, clinics and emergency postings.

1<sup>st</sup> MBBS deals with pre-clinical subjects like Anatomy (study of structure of human body) Physiology (study of function of organs & tissues) and Biochemistry (study of biochemical reactions which forms the functional basis of life).

2<sup>nd</sup> year MBBS you will be introduced to clinical subjects by posting in different clinical departments. Additionally, you have to study Para clinical subjects like Pathology (study of disease process), Pharmacology (study of drugs), Microbiology (study of micro organisms and immunology) and Forensic Medicine and Toxicology (Study of in medicine aspects).

In 3<sup>rd</sup> year MBBS, as you are ready to deal with patients, you need to concentrate on clinical subjects. The duration of 3<sup>rd</sup> year MBBS is two years. During this period, you have to study Medicine and its allied subjects (Pediatrics, Psychiatry, Dermatology, Tuberculosis and Pulmonary).

Medicine), Surgery and its allied subjects (Ophthalmology, Ear Nose Throat, Orthopedics). Other important subjects with which you should be well versed are Anesthesia, Radiology and Community Medicine.

Attendance is compulsory for all teaching programs and inhouse examinations.

It is mandatory to have at least 80% attendance, in Lectures, Practical, Tutorials, Seminars and Clinics. Internal assessment forms an integral part of final curriculum and it forms the basis to appear for final University examination.

On lighter side, the institute encourages and promotes you to participate in various inter college, inter University, national and international academic, cultural, artistic and sports activities and events.

I assure you that this institute will try its best to provide you ragging free environment. Ragging in all its forms is totally banned in the entire institute including all its departments, constituent units and all its premises and outside it. This college shall take strict action against those found guilty of ragging and / or abetting it. All we want you to know is that you are a bonafide, beloved and most earned students of this institute and you should desist from doing anything against your will even if ordered by seniors. The institute cares for you and shall not tolerate any atrocities against you.

In case of any adverse event including ragging, feel free to contact any member of Anti ragging committee mentioned in following pages.

I want you to go through this brochure carefully and submit your and your parent's undertaking regarding ragging, as instructed periodically.

I wish you a happy and enjoyable stay in this institute and prosperous future.

With love and care.

Sd/-
